

To our valued friends and family,

Across the MEF group the health and safety of our guests, colleagues and partners is of the upmost importance and we are reaching out to assure you that your well-being is imperative and that the containment of the Covid-19 virus is adhered to.

Since the threat of the virus to the island we have worked to ensure that all the necessary steps and procedures have been put in place. In an effort to respect social distancing initiatives we have temporarily closed our dine-in, bar and deli operations and are focusing our efforts on providing you with delicious meals at home. We have implemented the following:

- We now offer take-out and curbside services at most MEF establishments. Please check our website and social media for updates on location times, menus and updates. www.diningbermuda.com
- Continued vigilance in our sanitation efforts, including cleaning of commonly touched surfaces in the kitchen, door handles, credit card machines, menus and phones after each use.
- We continue to train our colleagues over the importance of sanitation, food handling using gloves, respecting social distancing and offer guidance on best possible Covid-19 practices.
- All colleagues with even minor symptoms of illness are made to stay home and self-isolate.
- We have implemented a hiring freeze across the company and deferred returning colleagues to a later date in the effort to mitigate risk.
- Our extremely popular Dine-Around remains in place and will be extended until October 31, 2020 to enable patrons to enjoy our premises to their fullest once this threat passes. For those with vouchers please note that the vouchers can also be used for takeout at cash value.

We will take this time as an opportunity to improve and innovate on how we operate within this ever-changing dynamic. We look forward to the future and seeing you all again across the group, but in the meantime we will continue to follow the official guidance provided and provide regular updates. Please send let us know if you have any questions via info@mef.bm or to any of us individually.

Remain Healthy, Keep Safe and Eat Well!
